ALPHA CAR HIRE FAIR WEAR AND TEAR GUIDE

There is a certain level of damage to a vehicle which is considered fair wear and tear due to ongoing use. This is treated differently to Damage that is caused by a customer, for which they will be held responsible. The distinction between fair wear and tear and unacceptable Damage is outlined in the **Alpha Car Hire Fair Wear and Tear** guidelines set out below.

Damage caused intentionally, wilfully or by reckless conduct is not fair wear and tear and is excluded from your Damage Cover. You should always refer to the Terms and Conditions of Rental for a full understanding of the exclusions that apply. We have a range of coverage options available if You wish to reduce Your Damage Fee in the event of an Accident or Damage to the rental Vehicle.

How do we assess when damage has occurred?

Prior to an Alpha Vehicle being rented, any Damage, including for fair wear and tear is identified and recorded. Alpha records this Damage via time stamped photographs when the Vehicle is prepared for rental. If You detect any Damage and it has not been recorded, You should notify a staff member of the Damage prior to leaving the rental branch.
